 #UIAArbitration

Seminar organised by the UIA in collaboration with the Bilbao Bar Association and the support of the Civil and Mercantile Court of Arbitration (CIMA)

Bringing together the world's lawyers

For over 85 years, the Union Internationale des Avocats (UIA - International Association of Lawyers) has been defending the legal profession and facilitating international contacts, cooperation and the exchange of knowledge among lawyers, while respecting their cultural and professional diversity.

Today, the UIA brings together several thousand members – lawyers or law professionals – and hundreds of bars, federations and associations.

Join the UIA and become a member of the world's strongest network of lawyers

- You will participate in the work of the UIA Commissions in Business Law, Human Rights and General Practice and share your experience with that of professionals from over 110 countries.
- You will also be able to join forces with the UIA, which, each year, provides its support to lawyers who cannot freely practise their profession. Everywhere in the world where rights of defence are threatened or the proper administration of justice is hindered, the UIA will make your voice heard.

Join the UIA during the seminar and benefit from a 50% discount on your membership fee.

Introduction

The Seminar will address the current hot topics of international arbitration. The seminar will have two parts. The first part will cover key issues related to the current perspectives of international commercial arbitration, such as challenges and opportunities for Spain as a hub for arbitration, maritime arbitration, interim measures and the institution of an emergency arbitrator, as well as the recognition and enforcement of foreign arbitral awards.

The second part will focus mainly on investment arbitration and how Brexit may affect arbitration in the EU and in the United Kingdom. In particular, our panels of experts will address how to structure an investment as a prior step to arbitral proceedings, and the pros and cons of a permanent court system as an alternative to traditional investment arbitration.
