FRIDAY, SEPTEMBER 14, 2018

ITALY

#UIAFashionLaw

Seminar organised by the UIA with the support of the Ordine degli Avvocati di Milano

## Bringing together the world's lawyers

*For over 90 years, the UIA has been defending the legal profession and facilitating international contacts, cooperation and the exchange of knowledge among lawyers, while respecting their cultural and professional diversity.*

Today, the UIA brings together several thousand members – lawyers or law professionals – and hundreds of bars, federations and associations.

## Join the UIA and become a member of the world's strongest network of lawyers

- You will participate in the work of the UIA Commissions in Business Law, Human Rights and General Practice and share your experience with that of professionals from over 110 countries.
- You will also be able to join forces with the UIA, which, each year, provides its support to lawyers who cannot freely practise their profession. Everywhere in the world where rights of defence are threatened or the proper administration of justice is hindered, the UIA will make your voice heard.

[www.uianet.org](http://www.uianet.org)

*Join the UIA during the seminar and benefit from a 50% discount on your membership fee.*

## Introduction

The world of fashion is a fast-moving business. Young designers are inspired by the creations of their predecessors in past decades. We will take a look at the legal issues facing fashion businesses and fashion designers in creating new designs which make their collections new and exciting whilst not losing the pedigree of an established fashion house, moving from the use of historical archives to the creation of protectable intellectual property and the secrecy of new collections and trade secrets to the digitalisation of archives and the production, launch and distribution of new collections in the marketplace as well as the particular challenges and threats of e-commerce.
