Introduction

The **UIA World Forum of Mediation Centres** was created in 2001. Every nine months it brings together some of the best commercial mediation practitioners and officers of commercial mediation centres from around the world, together with lawyers, business managers, academics, trainers, and others interested in learning and sharing insights about the development and use of the mediation process.

Usually there are participants from 15 to 20 or more countries in attendance, often from four or five continents, each bringing a different perspective on the use and development of mediation in their jurisdiction.

Whether you are from a place in which mediation already is readily accepted and integrated into the system of dispute resolution, or from one in which the "Dispute Resolution Revolution" is still in a not-yet-fully-accepted stage, there is something of value for you at the Forum. Each one is designed to enhance your knowledge about the mediation process, and to help you identify

best practices as a mediator; both of which are accomplished through the various topics in the sessions, typically led by deeply-experienced mediators.

Equally, if not more, importantly, it also will provide you with ample opportunities to develop relationships and exchange insights on the development and use of mediation with colleagues from a multitude of different cultures around the world. That opportunity can have a profoundly beneficial impact on your professional expertise. To do so at one location is unique to an international event; and convening every nine months is unique to the Forum.

We are excited to have you join us for the **33rd Forum** in **Vienna**. It will be an unforgettable international event, and colleagues from around the world have already confirmed their participation. **Since attendance at the sessions and lunch/dinner meals will be limited to the spaces available, be sure to register early so that you won't miss out.**

We look forward to seeing you in Vienna!

Programme

Every case is unique and brings a new angle, a new perspective to overcome inherent challenges. Embracing mediation is a journey where mediators need to learn from each other. 12:45 – 14:00 LUNCH

14:00 – 15:00 THE MEDIATION OF AI-SOURCED LABOR DISPUTES

"Tsunami" is a word often used to describe the impact of Artificial Intelligence on the workplace. According to McKinsey, in a report published in 2024, within coming years, for the entire world, up to 30% of hours worked could be automated due to generative AI. The permanent destruction of millions of jobs, or a process of "creative destruction" with the emergence of new work patterns? Time will tell. And yet, inevitably, the disruption — whatever its form — will be systemic. Conflict will be inevitable. How to resolve? Can mediation as a dispute resolution method be the answer to the particular challenges brought by the forces of AI disruption to the workplace? Will new skills be required of mediators to effectively facilitate the resolution of such AI-sourced labor disputes?

MODERATOR: ▪ **Pierre KIRCH**, *Avocat à la Cour (Paris/Brussels), Mediator, Adjunct professor on the Law of Artificial Intelligence, Catholic University of Paris, Paris, France*

SPEAKERS:

- **Additional speakers to be confirmed**

15:00 – 16:00 COMPARISON OF DIFFERENT MEDIATION STYLES AND THEIR ADVANTAGES/DISADVANTAGES

There are a variety of mediation “styles” which mediators use during the mediation of commercial disputes— even within a particular jurisdiction: Facilitative, Evaluative, Transformative, etc. What are the attributes of each style? Should a mediator adopt only a single style, or multiple styles? What are the advantages or disadvantages of each style? Can a mediator shift styles during a single mediation? This panel will discuss the answers to these questions and more during the session.

▪ **Moderator to be confirmed**

16:00 – 16:15 COFFEE BREAK

16:15 – 17:15 MEDIATION – HOW TO BUILD CONSTRUCTIVE AND RESPECTFUL DIALOGUE IN CONFLICT SITUATIONS. Learning Mediation and Being Trained in Mediation in Various Steps of Life: Family, Initial Education, Universities, Law Schools, Enterprises

Although the use of mediation is growing throughout much of the world, the pace of that growth is widely disparate. Much of the delay in its acceptance comes from a lack of knowledge of the mediation process – and lack of appreciation of the value of self-determination in the resolution of disputes. Advancement of the use of mediation will only occur through education and training of the several affected interested groups: parties (the public), lawyers, judges and legislators. The earlier in life that such learning occurs, the more likely the use of the mediation as the preferred dispute resolution process will grow.

MODERATOR OF THIS OPEN FORUM WITH THE AUDIENCE:

- **Anne-Laure BRUN-BUISSON**, Lawyer, Mediator, Member of IFOMENE coordination committee, Paris, France

17:15 – 18:15 MEDIATION IN INTERNATIONAL PROJECTS: KEY LEARNINGS FROM THE FIELD

The mediation is often the ultimate chance to settle down the Parties’ dispute and to avoid lengthy/costly Arbitration/Court Litigation. But, to make it truly efficient and to foster its expected achievement, several topics need to be duly explored prior to enter mediation. Among them, several causes of failure can be anticipated such as Parties’ unfamiliarity with the mediation features and process, the actual soundness of Parties’ grievances and claims, the Parties’ Company cultures and their Cultural dimensions. Learnings from the field can help in mitigating them and to improve the mediation process success.

MODERATOR & SPEAKER: ▪ **Bruno P. GOMART**, Marex Consulting SA, Lausanne, Switzerland

SPEAKER:

- **John McELROY**, Partner, Dispute Resolution, Fieldfisher, London, United Kingdom

Oskar-Morgenstern-Platz 1, 1090 Vienna

09:30 – 10:30 MEDIATION: GLOBAL DIVERSITY ON GUIDELINES AND THE GAP BETWEEN MEDIATION THEORY AND PRACTICE

Given the diversity of global theory and practice of mediation, can mediation guidelines offer user and mediator something of practical use? The panel will draw on their experience and reflective practice to consider this question, and to generate suggestions of considerations in bridging the theory-practice gap by mediation centres, practitioners and users.

MODERATOR & SPEAKER: ▪ **Isabel PHILLIPS**, Chartered Institute of Arbitrators (CIArb), Berlin, Germany

SPEAKERS:

- **Natascha TUNKEL**, Knoetzl, VIAC, Vienna, Austria
- **Additional speaker to be confirmed**

10:30 – 10:45 COFFEE BREAK

10:45 – 11:45 HOW MAY MEDIATION TRANSFORM IP LITIGATION STRATEGY ?

Intellectual property (“IP”) disputes – particularly those involving patents – often are unique in their complexity, and involvement of discreet, technical issues. Resolution of those disputes often requires focusing on specific, technical details to which disputing parties have competing views and claims. Mediators of such disputes need to be able to competently address those issues with the parties and counsel. This session will focus on some of the challenges confronting mediators while mediating IP cases.

MODERATOR & SPEAKER: ▪ **Anne-Catherine CHIARINY**, Professor at the University of Montpellier, author of the book “Droit des brevets”, LexisNexis, 2024, Montpellier, France

SPEAKERS:

- **Isabelle ROMET**, Interspheris SAS, Mediator & Facilitator, Member of AME, registered Bordeaux/Paris Court of Appeal, OMPI mediator, France
- **Wolfgang SCHREINER**, Attorney-at-law, CERHA HEMPEL, Vienna, Austria
- **Cristiano BACCHINI**, Studio Legale Associato Bacchini Mazzitelli, Milan, Italy

11:45 – 12:45 TALES FROM THE MEDIATION TRENCHES: PEARLS OF WISDOM HARVESTED FROM PAST MEDIATIONS

MISTAKES... We mediators have all made some! They are perhaps the most effective “opportunities” to learn how to create a better mediation experience for future participants in our mediation process. They often are burned into our minds so that we readily remember what NOT to do the next time. And other times we GET IT RIGHT THE FIRST TIME, doing exactly the optimal thing at the optimal time. These panelists will share some of their memorable mistakes –so that you don’t have to make them– as well as experiences when their “gut instincts” moved them to do just the right thing to move a dispute towards a successful resolution. We encourage you to share your own experiences during the session, as well.

MODERATOR & SPEAKER: ▪ **Ross W. STODDARD, III**, Attorney-Mediator, Co-President of the UIA World Forum of Mediation Centres, Dallas, TX, USA

SPEAKERS:

- **Kim L. KIRN**, Mediator & Arbitrator, US Arbitration & Mediation, St. Louis, MO, USA
- **Lynne NASH**, Attorney-Mediator, Nash Legal Group, Dallas, TX, USA

12:45 – 14:00 LUNCH

14:00 – 15:00 INNOVATIVE SETTLEMENTS – WHY MEDIATION IS GOOD ALTERNATIVE DISPUTE RESOLUTION MECHANISM

One of the best aspects of mediation is that it allows parties, with the help of the mediator, to design innovative settlements. This is particularly important in disputes where the parties have or want to have an ongoing relationship. This panel will share experiences and ideas on how to get to resolution.

MODERATOR: ▪ **Lisa SAVITT**, Benchmark International ADR, LLC, Vienna, Austria

SPEAKERS:

- **Florian NEUMAYR**, President of the UIA Competition law commission, Managing partner of *bvp Hügel Rechtsanwälte*, mediator of the Energy Community, Vienna, Austria

- **Antoine EIGENMANN**, SKYLINE S.A.M. SA, Attorney (Switzerland), SBA specialist in Inheritance Law, SBA mediator, Professor at the Law Faculty of the University of Fribourg, Lausanne, Switzerland

15:00 – 15:15 COFFEE BREAK

15:15 – 16:15 MEDIATIONS OF PENDING COURT CASES IN AUSTRIA

In 2008, the Vienna Commercial Court recognized the need for mediators who could mediate court-pending cases. Austrian civil courts joined this initiative, which subsequently led to the handling of court-pending cases through mediation, often conducted with the involvement of the parties' lawyers and, if necessary, with experts. Those mediations cover a wide range of fields, inclu-

ding classical civil law, corporate disputes, trademark disputes, patent disputes, antitrust disputes, investor proceedings, etc. This panel will share pragmatically its insights into the mediation process as used in these cases.

MODERATOR & SPEAKER: ▪ **Gabriele HORNIG**, Gabriele HORNIG, Vienna, Austria

SPEAKERS:

- **Michaela STEINWENDER**, Steinwender & Partner, Vienna, Austria
- **Anna STEINWENDER**, Steinwender & Partner, Vienna, Austria

16:15 – 17:15 DEVELOPMENT OF MEDIATION IN AFRICA

Mediation in Africa has evolved to varying degrees throughout the continent. As with most countries, there are differing levels of acceptance of mediation throughout Africa. This panel will enlighten us on the stage of development in the use of mediation throughout various parts of Africa.
